Our Team

We're a team of consultants that have worked in the industry in senior sell side positions across Sales, Trading and Digital markets. We utilise those consultants and partners to source high quality candidates. We are a small consultancy enabling us to offer a personal service.

Adam Gazzoli

adam@adamisprinciple.com

Adam, co-founder of the Adamis Principle, comes with over 30 years of global trading, sales and management experience with the likes of Bankers Trust, Commerzbank, Standard Chartered and Natixis. He has been fortunate to have worked in Sydney, Tokyo, London, and Singapore.

Alexandra Lee

alex@adamisprinciple.com

Alex is a Sales Consultant at the Adamis Principle and has worked at leading US banks in Global Markets Sales including J.P. Morgan and Citibank. She has extensive experience in growing businesses, developing marketing strategies and building strong relationships with clients.
