Adamis Principle Absolute Mentoring

Who we are

TRADERS | EDUCATORS | MENTORS

Adamis Principle's Absolute service is a learning and personal development offering for those looking to find that extraordinary edge to their trading.

An education and mentoring programme run by senior institutional traders with decades of trading and management experience at investment banks, hedge funds and proprietary trading firms.

A deep understanding of the macro environment, along with advanced technical analysis and risk management skills enable us to provide an assured development platform for those looking to build or improve their trading skillset.

We specialize in FX and have a deep understanding of both G10 and EM markets. We also have trusted asset specific expert partners in equities, fixed income, credit, OIS & money markets.

Our Offer

Intensive, bespoke hands-on trading education in a simulated environment to help you develop and hone your skills.

We teach you the psychology and discipline first, enabling you to work with our macro fundamental knowledge and technical analysis methods to make informed trading decisions.
